LOCAL DATES.

Saturday, Aug. 5.—State Bailymen's convention, court house, 10 a. m.

SHERIFF'S REPORT.—A delinquent tax list gets to be a very monotonous affair after being in the hands of the sheriff and his deputies for six months or so. The county commissioners will help Judge Hubbard close up the year's work of tax collecting by Sheriff Knight when they meet in August next. The work is already closed now having only to be accepted by the court. The delinquent roll for 1892 was \$26,506.09; sheriff's assessments for 1892 \$394.71; for 1891 \$195.68. The amount of the delinquent roll to be returned is \$7,536.75; the amount of errors \$2,519.22. The delinquent tax Oregon Pacific railroad will be paid as soon as the receiver gets orders from the courts to settle it. Taking this into consideration the delinquent roll is in reality only \$5,017.53. The Oregon Pacific company is in debt to Marion county for three years taxes as follows: \$2,277.44 for 1890, \$2,114.58 for 1891, \$2,385.68 for 1892—a total \$6,777.70.

MILITARY.—An election for major of 2d battalion Oregon National Guard was held Saturday at Salem. Major Geo. O. Yoran, of Eugene, was present, as inspector of election, and the unanimous vote of all the companies was cast for Capt. D. C. Sherman, of Salem. After the election the major elected invited all the officers to a supper at Strong's and an hour or two were put in very agreeably.

STREET WORK.—The assessment of cost of improving Oak street will be levied on the abutting property by the same men who recently assessed the costs of State street. The council has put all the wheels in motion to make more street improvements than were made last year. Salem will inside of two years see nearly every street in the city put in first class condition.

TEACHERS' EXAMINATION.—Notice is hereby given that the regular quarterly examination of teachers for Marion county will be held at the court house, Salem, Oregon, at one o'clock, Wednesday, Aug. 9, 1893. Applicants for state papers will be examined at the same time and place. Dated this 24th day of July, 1893. J. S. Graham, County Supt. of Schools. 7-24d-1w-2w

MAY LOSE A HORSE.—The horse belonging to Clarence Merrill of Lincoln Park, that got its hind leg through the big bridge, is disabled and may die. It is too bad that by the neglect of county authorities a working man should lose the use of a team, and Mr. Merrill may sue the county.

NEW POLES.—The Electric Light and Power Co., are putting up magnificent new poles for the new city light plant. They propose to paint them and will enforce the city ordinance against tacking bills on them.

NOTHING TO READ.—There is no excuse for such a statement as this, when you can get standard works of every conceivable kind, for 20 cents a volume at Dearborn's bookstore.

DARKNESS AND DAYLIGHT.—Are all the same with the Lockwood Messenger service. The blue box responds with a swift and reliable boy any hour in the twenty-four.

AN OREGON APPETITE.—Is generally difficult to appease, but J. A. Van Eaton, the grocer, has a line of supplies to gratify and satisfy the most exacting.

INSANE.—Mattie Jade Keaton, of Oakes, Grant county and Sophia Wallace of Marshfield, age 74, very violent and has used liquor to excess, were brought to the asylum today.

WITH BOOMING CANNON.

Vice President Stephenson To Be Received

AT SALEM EARLY TUESDAY MORNING.

Governor Penoyer and Salem Democrats Make all the Arrangements.

Governor Penoyer has made all the arrangements for receiving Vice President Stephenson and party upon their arrival at Salem Tuesday morning on the overland. He called on Secretary Wagner of the Salem board of trade early this morning and notified him that a salute would be fired by the executive authority and that he ordered Adjutant General Mitchell, of the Oregon National Guard to go South on last night's overland to apprise the party of his intentions. A brief reception will be given at the early hour of 5:19 a. m.

Governor Penoyer has ordered out the famous old brass cannon over which there was such a short struggle between the civil and military authorities on March 4th when the governor would not allow it to be fired in honor of Cleveland's inauguration. It will be the first time the regulation vice-presidential salute of nineteen discharges. The governor is very enthusiastic about making arrangements for the reception of Stephenson. He says it will not do to let the vice president pass through the capital city without proper recognition.

He is an old states rights democrat. If he remained for any length of time would call on the governor first as he did in California. But as he will not leave the station grounds Governor Penoyer and his staff will meet him there and welcome him to the state. He will be escorted through the state by the adjutant general of the National Guard, as the governor's personal military representative. The governor called on Mayor Gatch and received assurance of hearty co-operation in that official's part. Mayor Gatch and the city officials will be present with the Second Regiment band to represent the city on the occasion. A platform will be erected just south of the depot and it is the intention to have it properly decorated and draped with the colors.

THE SALUTE will be fired by Capt. D. C. Sherman, under order of Adj. Gen. Mitchell of date July 23, "using cannon in his possession by order of Commander in Chief." Capt. D. C. Howard will handle the gun in his customary approved style.

ASSAULT.—A. J. Belden and wife were cited to appear at 2 p. m. before Judge Batchelor for an assault committed Sunday. The parties live in Englewood.

W. H. Murray and W. C. Quimby of the San Francisco Journal of Commerce are in the city looking after a special edition of that paper to boom the "Frisco Merchants excursion to arrive in Salem, Aug. 1st.

John A. Singleton and wife, of Hood River, are in the city. Mrs. Singleton is a daughter of Rev. and Mrs. J. H. B. Royal, of South Salem.

Mrs. Singleton, of Yew Park, has been quite sick but is now improving.

F. J. Catterlin and family will move back to Salem this week from Eugene.

Douglas Mintz is at his ranch and townsite in the Cascades for a few days.

Rev. Lund and Kellerman were passengers for Idanha today for a fishing excursion until Thursday.

Alderman Cross and Klien returned from a Saturday night fishing trip. The net result is reported as three halibut split up the back each.

Douglas county has paid in about \$13,453, out of \$32,544 due for 1892 and that only on July 12 to the state treasury. If the other counties did not pay any better the state could not run an asylum at Salem to say nothing of building a new one in Eastern Oregon.

Ed. and Burt Barnett of the Salem art company are in the mountains about the head of Butte Creek for an outing.

General Wm. Vandever, formerly of Iowa, died at Ventura, Cal.

Sunday closing was rigidly enforced at the Chicago World's Fair.

United Brethren Church Dedicated.

A crowded house greeted Bishop Dillon, of Dayton, Ohio, at the new Harritt memorial church, on Mission street. The house easily had three hundred people and many could not get in. A Sunday school was organized at 9:30, with Mrs. Sargent as superintendent. At 10:30 Presiding Elder Barclay took charge and conducted an experience meeting, at which many spoke and showed that there was great spiritual interest.

Bishop Dillon was introduced and preached from the Scriptures, 1st Cor. 15, 3d verse. The bishop had among his hearers men and women who had heard him preach, east and west, or had heard of him as an able speaker and a great preacher.

Prof. Baldwin's singing was a great feature and the new pastor has a good voice for a leader. He had only been in the city a few days and had already a good choir organized. Miss Lulu Sargent sang a solo, Mrs. Sharpe presiding at the organ.

Rev. Dollard had a seat on the platform. Hon. T. T. Geer and family, of Macleay, attended the dedication.

Among others present were C. P. Bishop, Chas. Johnson, E. O'Flynn, H. H. Smith.

The church was finished nicely with snowy walls, gothic windows, and ceiling, pale green curtains and neat chandeliers. The pews are made of white pine with high comfortable backs and ash rails. The altar was nicely carpeted and decorated with flowers. The aisles were also carpeted.

Many stood during the entire service. The happiest man in town was Elder Barclay. He has worked hard and long to build this church. A year ago he came to Salem and held a revival. He did not convert everybody at those meetings, but he drew together a body of faithful workers at Salem who have under his direction, assisted by Rev. L. B. Baldwin, built a church in one of the prettiest spots at Salem. The property is worth \$2500. The church is well organized, has a talented young pastor, and Salem will hereafter be on United Brethren stronghold. Barclay has reason to be happy.

There is something in mercy, when it is administered in consonance with justice, which touches the hearts and reforms men. That was a noble sentiment of Bishop Collins, who said yesterday that he expected to come to Salem and live.

A picture of Rev. Harritt, now dead, a pioneer preacher of this society, ornamented the platform.

The women subscribed more money to lift that \$450 debt than the men. But it was lifted.

This popular new church is on the Salem Motor Railway, making it easy of access to remote parts of the city. A new church is a source of revenue to a street car line.

The general conference voted to locate a Pacific coast bishop at Salem and a residence is being procured now. It will be located somewhere convenient for the work of the bishop who has to travel a great deal.

A large part of the town of Spaulding, Ohio, was burned Sunday.

HERE YOU GO!!

Hard times and too much stock. As we are overstocked with gilt wall paper and high grade stock, and, as it has always been known that the border has been the expensive part of papering a room, we will sell all our gilt wall paper this week, at the regular price and will give the borders free of charge, simply as a present (and this offer is for this week only.) Some of our stock however, is marked down at greatly reduced prices and we will limit the amount of border to be given away. We will give 1/2 yards to every roll of wall paper bought thus allowing enough for each room. If you do not wish to paper your home now, buy your paper and have the work done at any time.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. Cheney & Co., Toledo, O. Sold by druggists, 75c.

Seattle Post-Intelligencer says: The official statement of commercial and banking failures of Indiana, Ohio, North Dakota, Illinois, Nebraska, Minnesota and Wisconsin makes a far worse showing than anything on this coast. The state of California has, comparatively speaking, made an excellent showing; so has Oregon; so has Washington; and Mr. Eckles has no business either in ignorance, malice or indifference, to lend the weight of his official speech to a false and exaggerated statement, concerning the "boom cities" of the Pacific Coast.
